

Info session 4.7:
Exemplary role of the public sector
– supporting local sustainable
energy and H&C strategies
(Art.5, 6 & 25)

LIFE Clean Energy Transition

Clean energy transition projects for the local and regional level

Martin EIBL

LIFE Climate and Energy Unit, European Commission - CINEA

Info Session 4.7, CA EED PM4, 22 March 2024

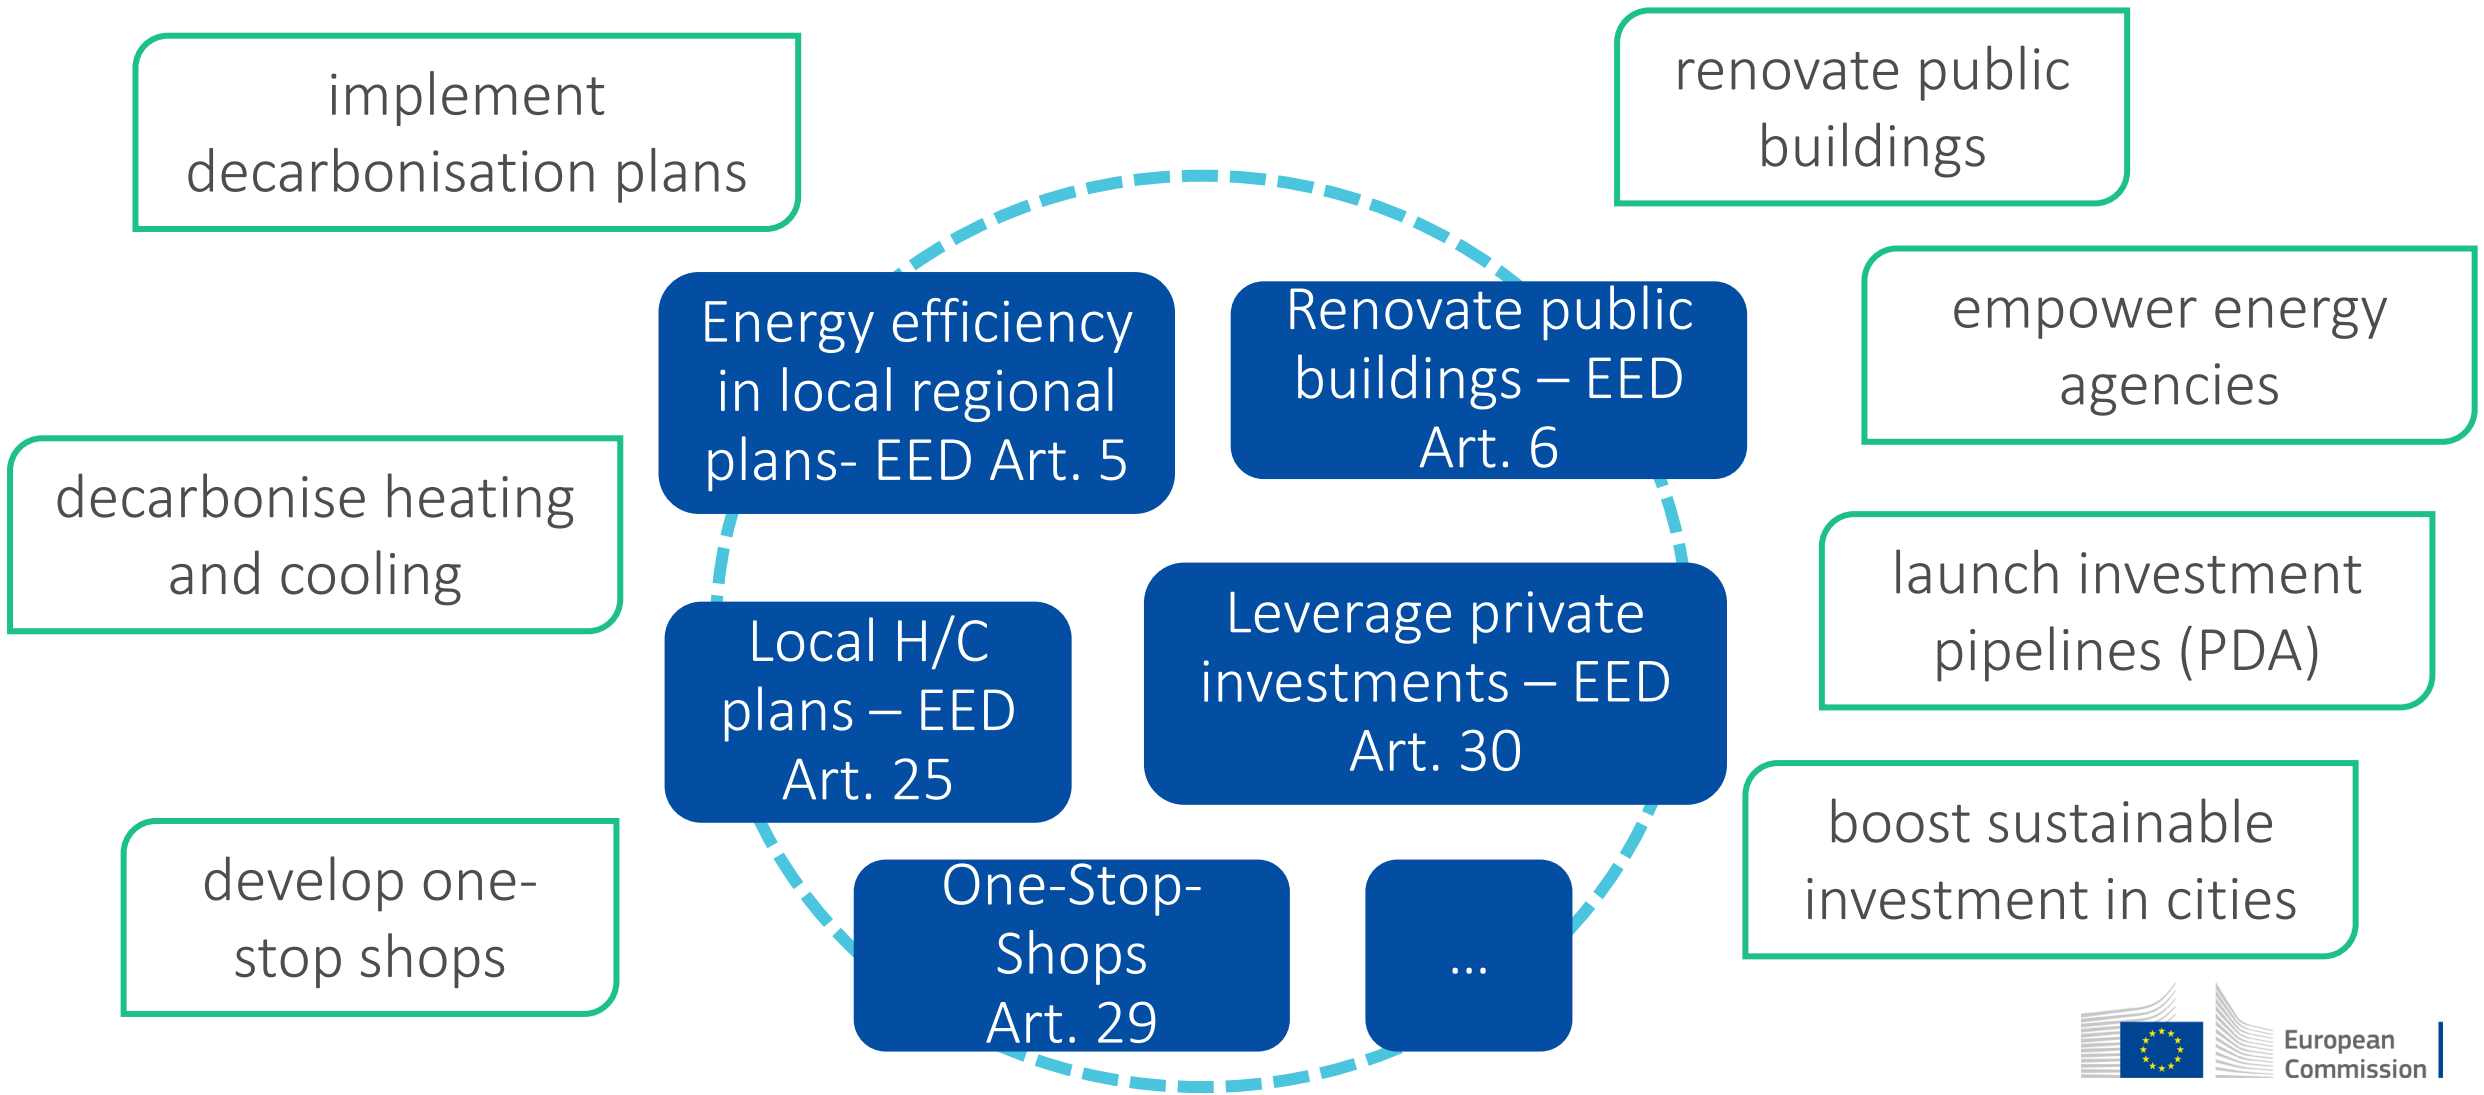

LIFE - Clean Energy Transition (CET)

- Facilitates the **clean energy transition**
- Key **policy-support programme** underpinning measures of **EED**, **EPBD**, **RED** and related EU policy initiatives
- Funding for **key areas**: building renovation, cities and regions, mobilising investment and finance, home renovation services, energy communities, energy poverty, products, industry

LIFE-CET support to cities, regions, energy agencies: links with the Energy Efficiency Directive (EED)

Support to cities and regions – strong pillar of LIFE Clean Energy Transition

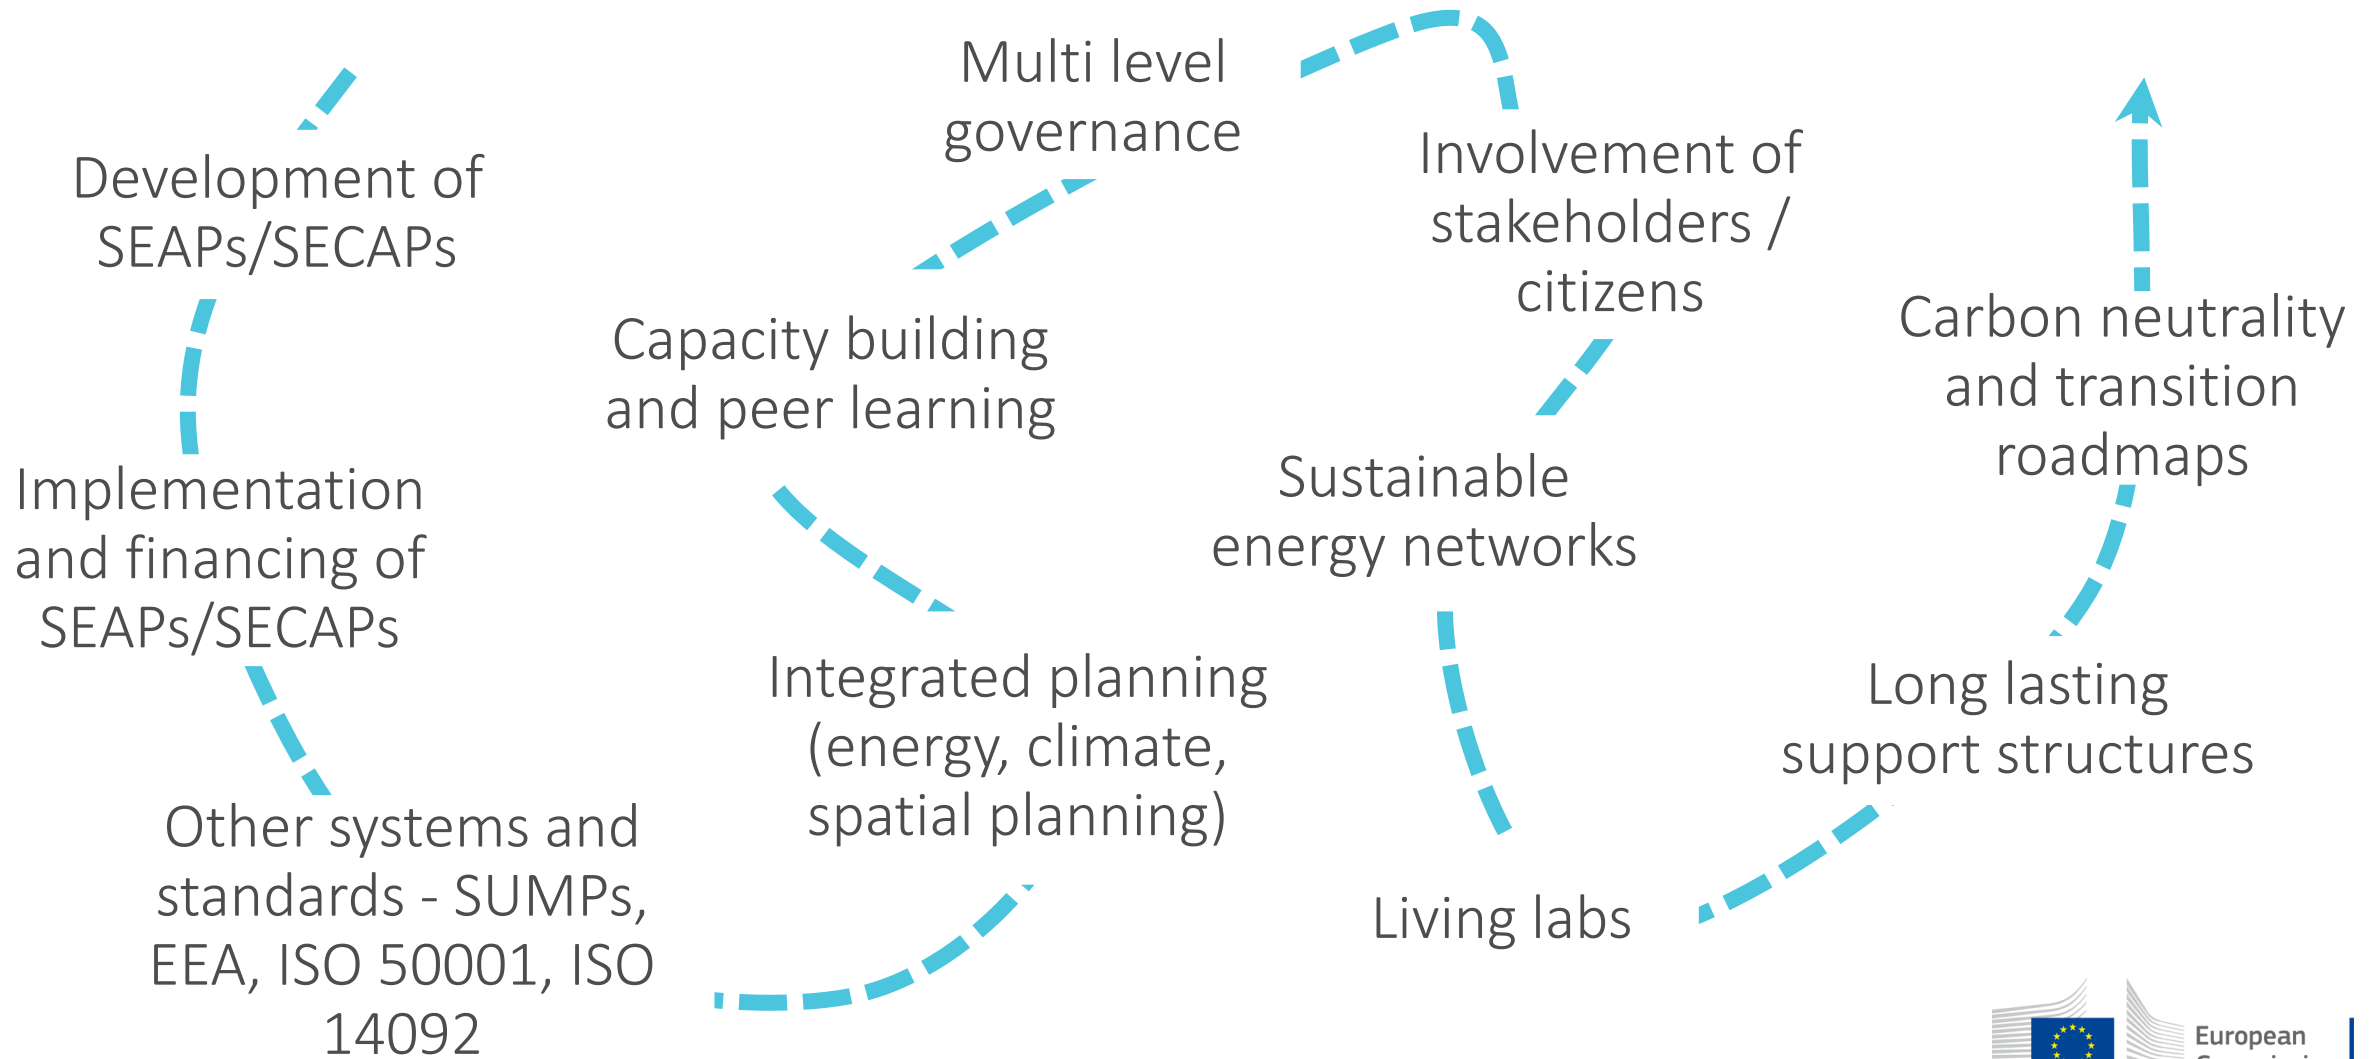

- **Cities & Regions:** building capacity of cities and regions to develop and implement +700 policies and plans (SECAPs)
- **Project Development Assistance:** 64 projects triggered +760 MEUR of energy investments and additional 680 MEUR expected
- **One-Stop-Shops:** 35+ projects working on integrated home renovation services in 16 countries + 5 projects on public building renovation (RENOPUB)
- **EU City Facility:** 280 Cities already selected for developing their investment concept
- **ManagEnergy:** tailored capacity building to local and regional energy agencies

Further reads:

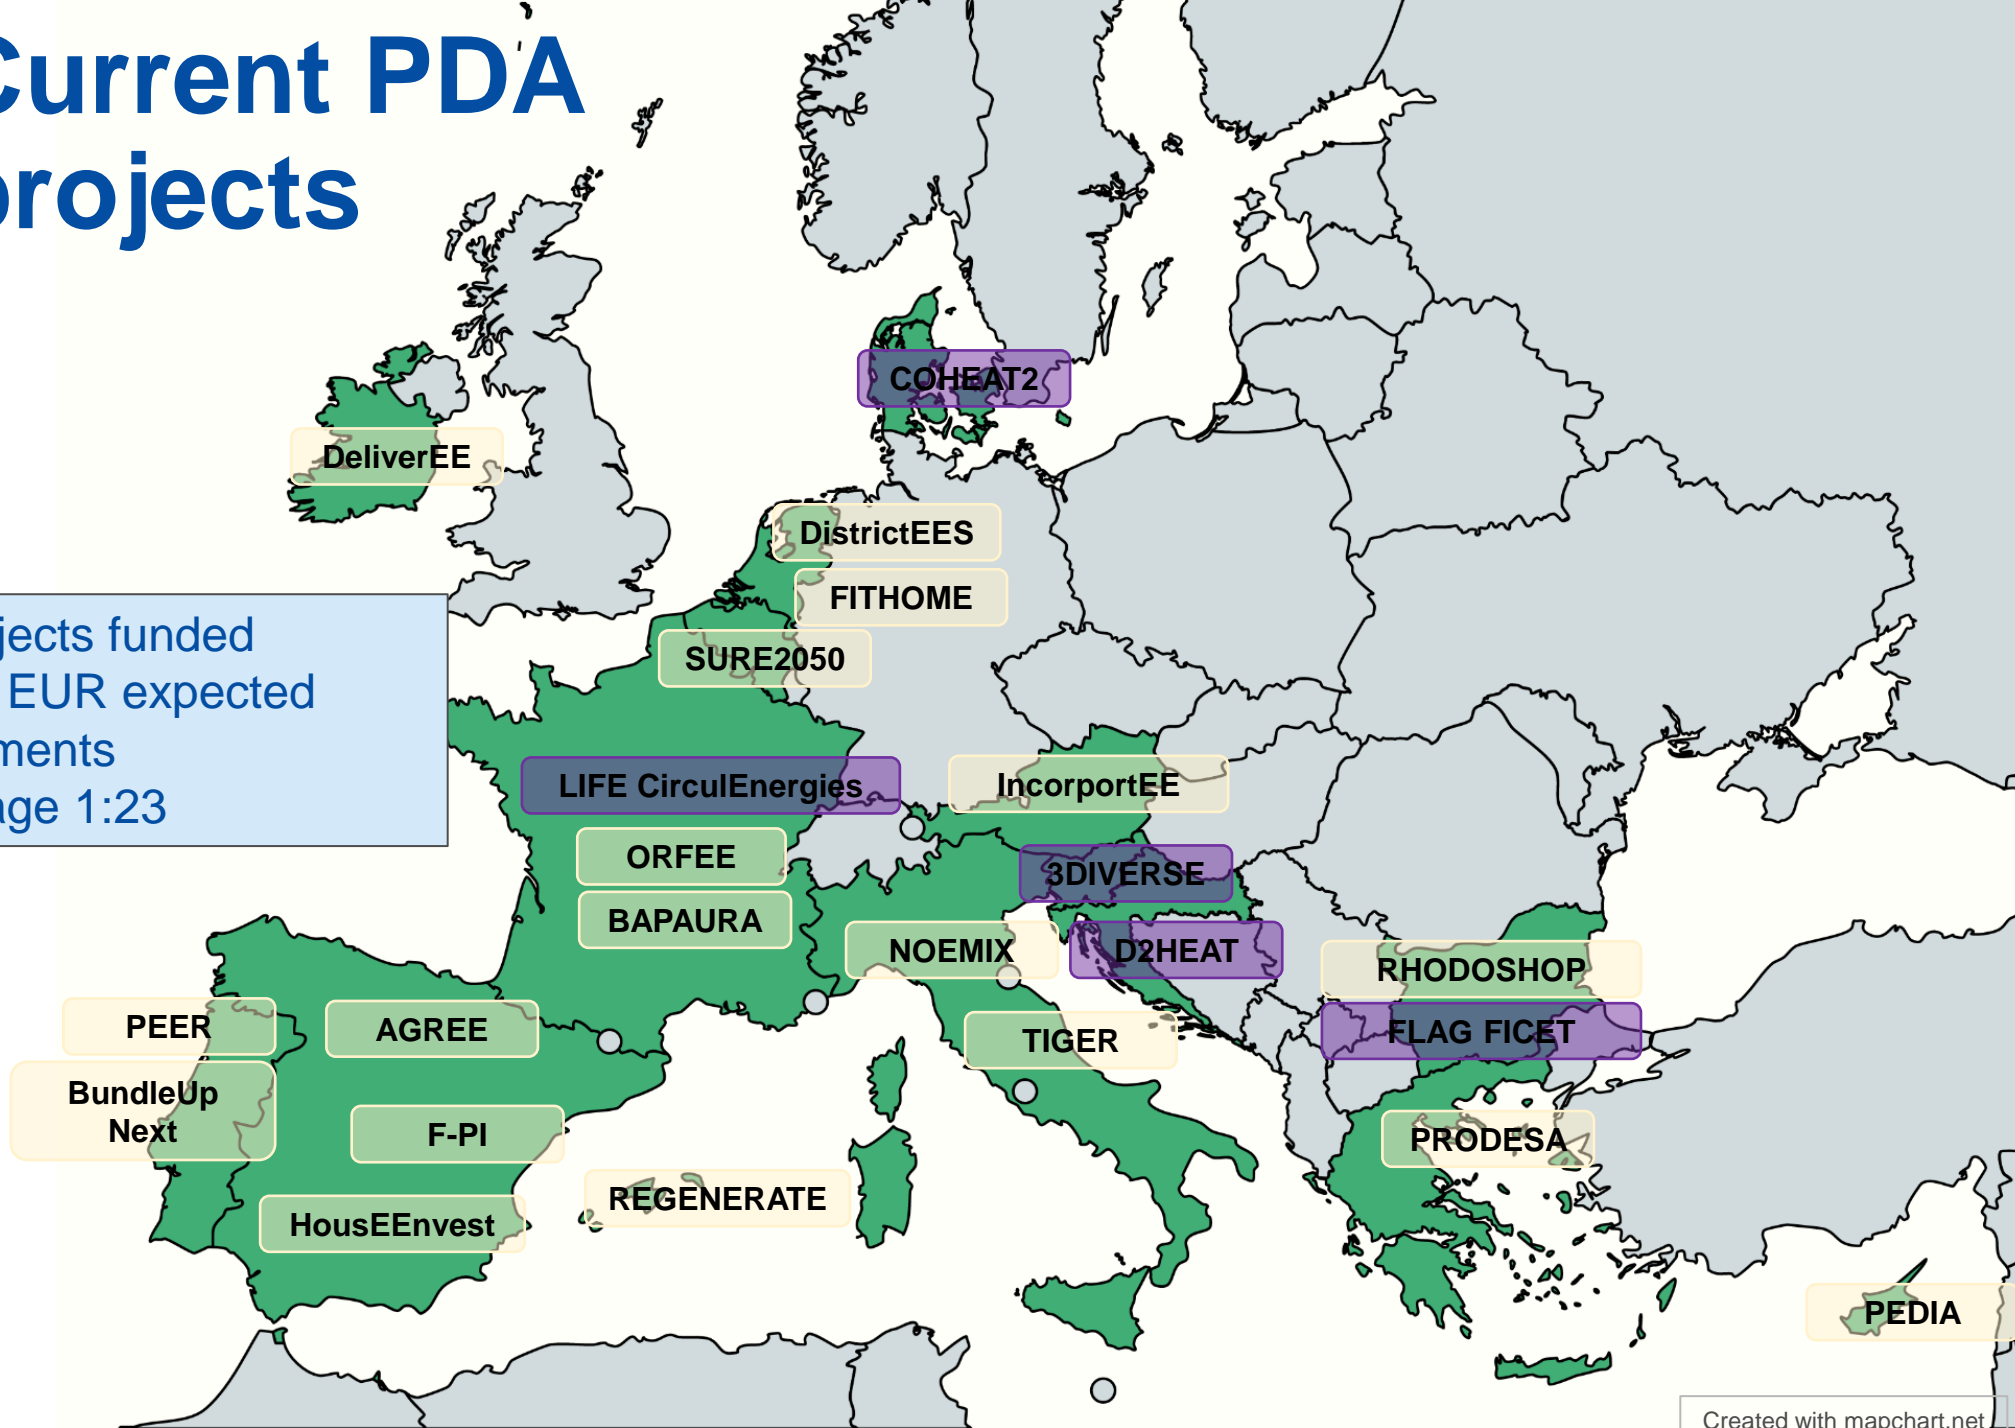

- [Local authorities](#) leading the way towards decarbonising Europe
- [Private finance for energy efficiency](#): New solutions for funding Europe's energy transition
- [Deep Renovation](#) - New approaches to transform the renovation market

LOCAL projects – areas of support

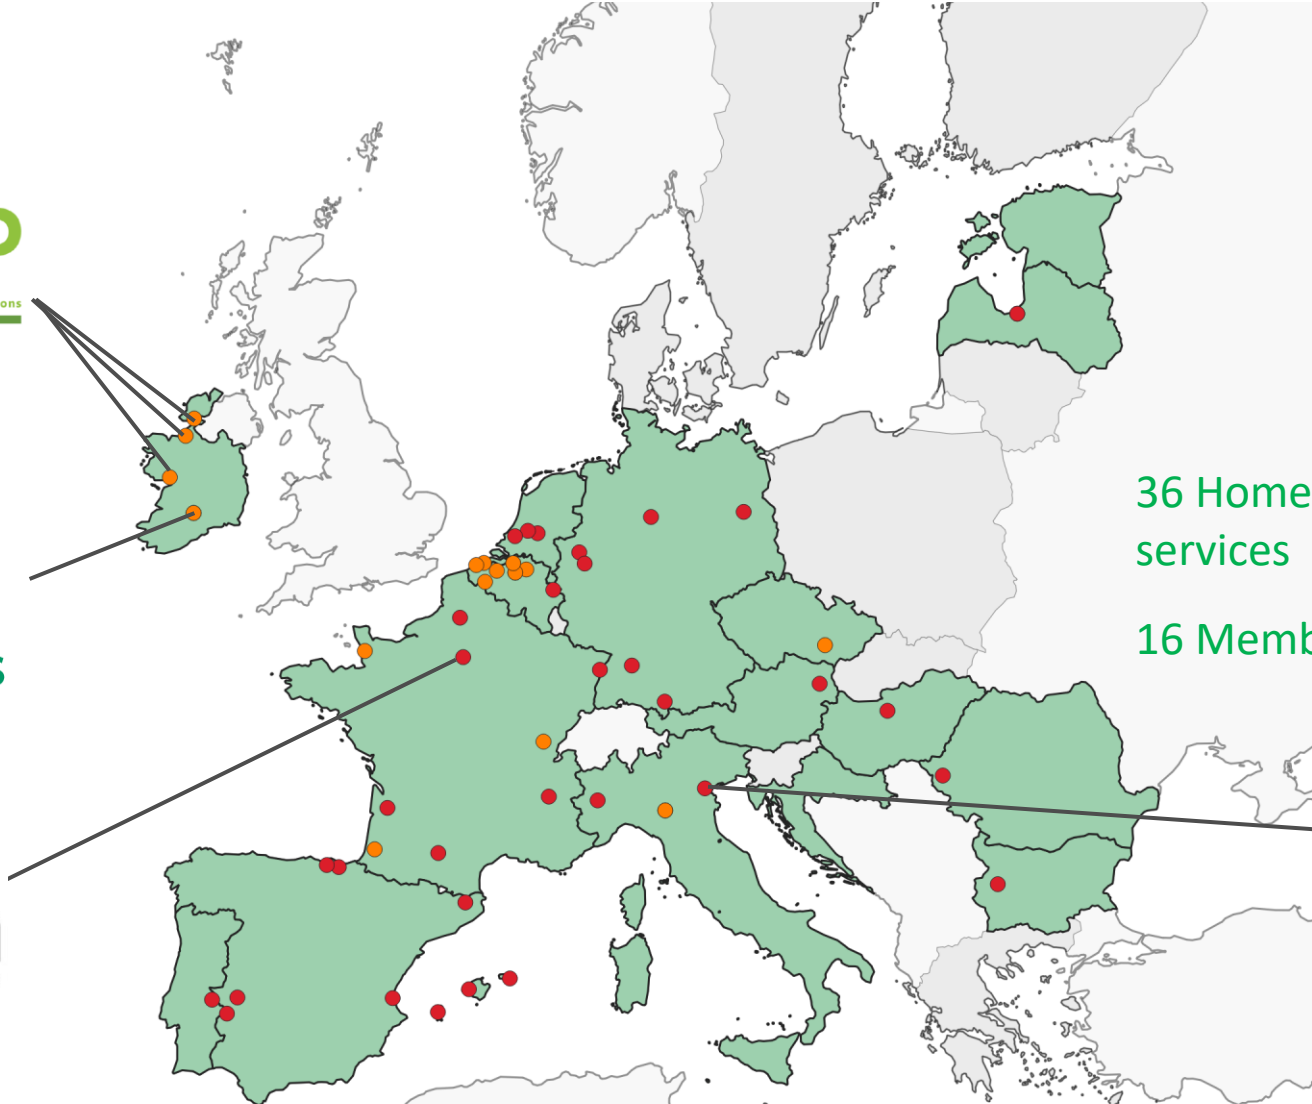

Current PDA projects

- 63 projects funded
- 1.4 bn EUR expected investments
- Leverage 1:23

Strong EU support to Home Renovation Services

#accelerate home renovation

36 Home renovation services

16 Member States covered

Facilitation structures to accelerate the renovation wave in the public sector

#renovate public buildings

- Establishment of a One-Stop-Shop facility in North-West **Croatia** (LIFE22-CET-CROSS)
- Transforming Renovation in the Southern Seaboard Region - **Ireland** (LIFE22-CET-TRESS)
- Global Assistance Service for Low Energy investments toward a foSSil free Public sector – **Italy** (LIFE22-CET-GASLESS)
- Public Building Regional Renovation Service Package for Large Scale Deployment – **France**
- JINAG Energy Unit - system support of the renovation wave in the South Moravian Region – **Czechia** LIFE22-CET-LIFE JINAG EnU

European City Facility

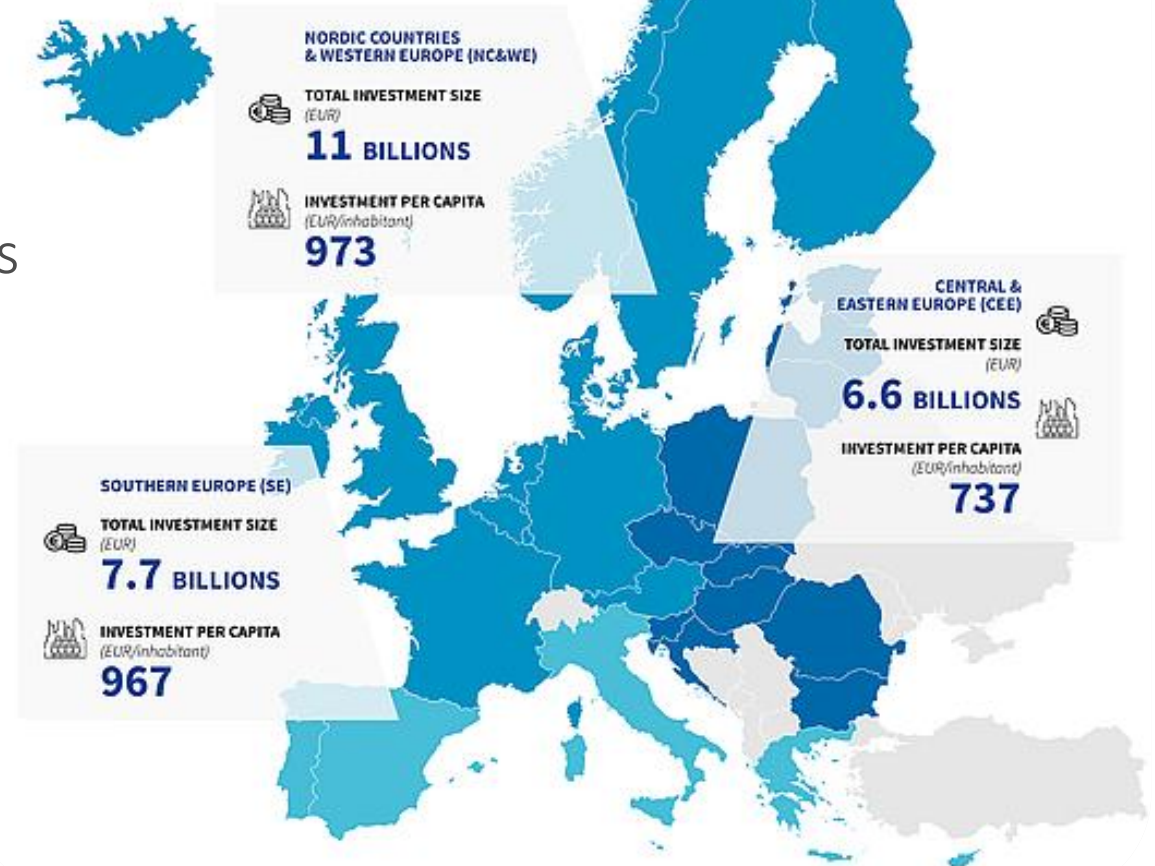

#boost clean energy investment in cities

- Energy climate strategies into **financing and implementation** of sustainable energy projects
- 60 000 EUR (lump sum) + technical support to formulate **investment programmes**
- **National support network** across Member States – in your language
- +940 applications and +280 selected cities ([map](#)), +420 investment concepts by 2027
- **Call** closed 15 March 2024 and was open to EU27 + Iceland, Ukraine

Investment Size

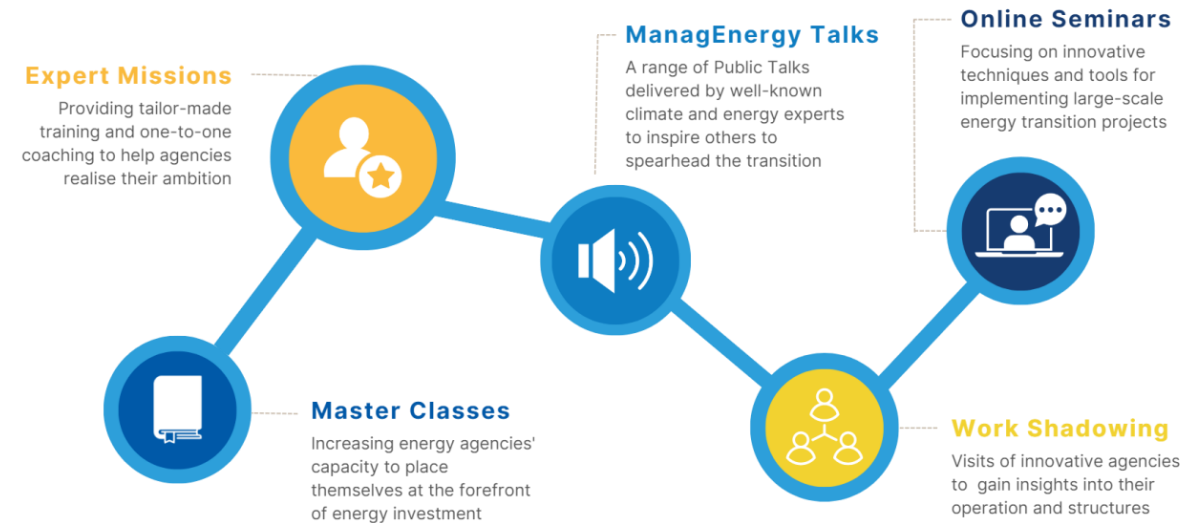

Overview – Expected investment size of selected applications – Four EUCF calls

ManagEnergy

#empower energy agencies

- Dedicated to EU energy agencies
- Facilitate investments in sustainable energy in cities / regions
- Master Classes, Expert Missions, Work Shadowing, Webinars, Talks
- Open to cities and regions interested to establish an energy agency
- Applications – www.managenergy.eu

LIFE Calls for proposals 2024

- Will be published on the EU Funding & Tender portal on **18 April 2024**
- CINEA will **EU information days** 23 to 26 April 2024 to guide potential applicants
- Submission deadline:
19 September 2024
